Imperial Skin Care

Rejuvenate yourself with a specialized combination of treatments that will perfectly transform your body and spirit.

Our first-class treatments includes a variety of skin care, facials, aromatherapy, and complete spa services using the latest technology.

Our staff is highly trained and your privacy is assured.

Facial Treatments

European Facial – A full facial to maintain soft, unblemished, well-hydrated skin. A light massaging of the face and neck to aid in relaxation and to stimulate blood and oxygen flow to the skin. We use Professional European products only.

Acne Facial – A facial that includes deep cleansing, enzyme mask, steaming, extractions and a hydrating mask.

Custom Holistic Facials – After a full skin analysis we customize each facial to your skins specific needs. Hydrating, Anti-aging, Detoxifying & Sensitive skin conditions, e.g. Rosacea, Couperose.

Balancing Facial – A facial with the 5 clay balancing mask. It works to re-balance all skin conditions and will give a visible improvement to the skin.

Teen Skincare – A customized facial for today's Teenager, we will teach them the importance of proper skincare, acne prevention and sun protection.

Microdermabrasion

Microdermabrasion with Oxygen (Face, Chest, or Hands) – Helps to treat aging and sun-damaged skin, blemishes, fine lines, wrinkles and some types of acne and acne scarring. The oxygen helps to speed up collagen production and soothe the newly exfoliated skin. We use the Diamondskin crystal free System to leave no residue.

Back Microdermabrasion – This treatment is for people who have acne or acne scars or who just want to show off their smooth and glowing back. Treatment includes a full back exfoliation and a soothing clay mask.

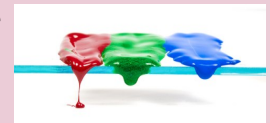

Body Treatments

Back Facial – A relaxing body treatment that includes, exfoliating mask, extraction, massage and a cooling clay mask for treating blackheads or congested back.

Laser Hair Removal, Peels & Waxing

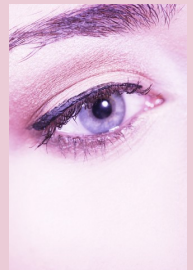

Silky smooth skin is yours for very affordable rates. See our website on waxing prices.

For Peels/Laser hair removal call to make an appointment for a free consultation.

Tints

Brow & Lash Tint - is especially beneficial for individuals with light colored hair as it gives the illusion of thickness and adds color and shape to the eye brows & lashes. The effects of the Tint can last 4-6 weeks and reduces the need for daily use of Brow pencils and Mascara saving you time.
